October 4, 2009 Meeting Minutes

Present: Hale Mattoon, Jackson Schonberg, Duffy McDanolds, Jim Berlanger, Stewart, Dylan, and Tammy Vaughan, Sonny and Jackie Bailey, Gary Phelps, Ralph Reed, Jeryl Frankenfield Jr. & Sr., Morty and Kathy Bailey, Margaret Clark, Leila McDanolds, Kris, Lucas, Lizzie and Amy Vaughan, Mike Thresher

Twelve tractors participated in the Fall Foliage ride, along with the Club's wagon, and all completed the 2.5 hour trip (after adding some more fuel to one tank). Tractors present: two John Deere 420s, five Bs, two As, two 40s, and one 320.

President Morty Bailey called the meeting to order.

A motion was made, seconded and passed to accept the Secretary's report as written in the July newsletter.

Leila McDanolds gave the following Treasurer's report:

Expo IV	\$ 5629.62
Scholarship	\$ 2060.00
Wagon	\$ 150.00
General Fund	<u>\$ 6682.91</u>
Total	\$14522.53

A motion was made, seconded, and passed to accept the Treasurer's report as presented.

Ralph Reed gave a brief report of mowing day. The event was very well organized and was fun; unfortunately it was sparsely attended.

Ralph also mentioned that the date stated at the Club's Plow Day for the Vernon, VT plowing competition was incorrect. The event was to be held on Sunday, not Saturday.

Leila handed out stacks of brochures for Expo IV. Members were asked to hand them out to anyone they thought might be interested. Tom and Leila both have vast collection of brochures. Tom also has 8.5" X 11" posters. Members should contact him if they want a few posters to post.

Next meeting will be held on December 6 at Morty and Kathy Bailey's.

After some discussion, a nominating committee was voted on. Kathy Bailey, Ralph Reed and Jim Berlinger have agreed to serve on this committee. A motion was made, seconded, and passed to have these three as our committee.

It was announced that Liv Allen passed away. A card will be sent to Ira from the Club. A moment of silence was held in her honor.

The Vaughans were thanked for hosting this event.

A motion was made, seconded and passed to adjourn the meeting.

EXPO

The Expo committee is currently looking for belt driven equipment to display and operate for a demonstration at the Expo.

Sincerely,

Leila, Club Treasurer

Have a Laugh

Said the preacher to the farmer, "Do you belong to a Christian family?"

The farmer, "No, I live two farms down the road."

The preacher, "No, I mean are you lost?"

The Farmer, "No, I've been here 30 years."

The Preacher, "I mean, are you ready for Judgment Day?"

The Farmer, "I don't know. When is it?"

The Preacher, "It could be today or tomorrow."

The Farmer, "When you find out, let me know. The wife will probably want to go both days."

For you city slickers, this is a manure spreader.

For you 'enviros', it is an "organic waste recycling applicator" for "sustainable" agriculture practices.

And IF by chance you were born and raised on a farm it had another name S*** Spreader!

P.S. This was the only implement John Deere ever made that they would not stand behind.
